MEMORANDUM FOR: Executive Assistant  
Office of Personnel

STAT FROM:

HRPS

SUBJECT: Weekly Activities Report

I. On 17 June 1983 OP/HRPS provided FTE projections and attrition statistics for the Comptroller meeting. At the meeting the DDI provided estimates of its FTE, attrition and accessions for the remainder of the fiscal year. It was agreed that OP/HRPS would evaluate the DDI statistics.

II. Prepared a request for a new report on current CT requirements. The report will contrast all OPS officer requirements against all OPS officer resources. Thus, we can precisely determine on a monthly bases the CT requirements.

III. Continued projects designed to:

- a. Review past technical attrition.
- b. Develop statistical comparisons of Agency Markov chain models over the past six fiscal years.
- c. Review Career Service career patterns through the use of camera diagrams and age-grade distributions.
- d. Document SAS programs which pertain to Markov models, salary models, regression models, and separation reason comparisons.
- e. Support OGC jurimetric requests.
